| 25 Oct 2024<br>Friday | 08:00 - 13:00 | Tan Tock Seng Hospital<br>Level 1, Theatre |

This World Trauma Day, join us in a half-day event as industry partners, pre-hospital and medical professionals share insights and approaches to improve workplace prevention and injury management in an emergency.

## LEARNING OBJECTIVES

- 1) Deepen understanding of workplace injury prevention in first responder care and readiness.
- 2) Strengthen hard and soft skills in managing a workplace injury emergency.
- 3) Enhance knowledge and obtain updates and recommendations for effectively preventing and managing workplace injuries.

This is a SISO-approved event. **4 SDU points** are issued to eligible participants. Limited slots are available. Sign up today!
