We appreciate everyone in NHG and the Community for helping us in our Population Health journey.

“NHG’S THREE ZONES HAVE TAKEN DIFFERENT APPROACHES TO IMPROVE THE HEALTH OF THEIR DISTINCTIVE SUB-POPULATIONS, BUT ARE SYNCHRONISED TO FLOW IN THE SAME DIRECTION BY ONE UNITING PHILOSOPHY: TO PARTNER OUR POPULATION FROM *LIVING TO LEAVING* – FROM BEGINNING TO END – IN THE *RIVER OF LIFE*.”

PROFESSOR PHILIP CHOO, GROUP CEO, NHG
